“Last year, we received more than 100 nominations from members of our business community and our judging committee had a difficult time selecting the finalists due to the high caliber of the submissions. In these tough times, we need to honour the leaders in our business community now more than ever,” says Cloverdale Chamber Executive Director Scott Wheatley.

Until 2020, this gala event brought together more than 200 business and community leaders to recognize and celebrate the achievements of our nominee finalists and unveil the winners. The gala also featured a live and silent auction, on-site entertainment and a gourmet dinner.

This year, with health restrictions lifted we are thrilled to able to host a gala of this caliber again!

Proceeds from this event are invested back into the Cloverdale District Chamber of Commerce's business services and programs and the Cloverdale Rodeo Youth Initiative Foundation.
